

# *SEVENTH GRADE NEWSLETTER*

August 25, 2009

- Welcome to a new year at Magellan! We have thoroughly enjoyed meeting your children and getting to know them a bit over the past week. We are extremely grateful to you for sending them prepared with the school supplies we requested, and for helping them to form the great attitude toward learning that we have observed thus far.
- A big thank you to everyone who contributed items from our Wish Lists! We really appreciate it.
- Please send in your signed technology User Agreements as soon as possible.
- Mark your calendars for our Open House, which will take place on September 10 from 7:00 to 9:00pm.
- This newsletter is a test of the distribution list. Please email Ms. Gallagher at [egallagher@magellancharter.org](mailto:egallagher@magellancharter.org) if you have questions or concerns, or if you would like to receive the newsletter at a different email address. We will be updating the distribution list with new email addresses listed on student locator cards, so there is no need to email about that. The Seventh Grade Newsletter will come out once or twice per month via email. We will also post copies in the hallway outside our classrooms.
